NOTES FROM THE PRESIDENT

Hello Team!

As I am sure you've seen my numerous emails, our association has seen quite a few changes in the past few months. If you are not receiving these, please reach out to ensure I have you on our distribution list, I want to ensure everyone is staying informed.

I want to take a minute to recognize a few individuals for their outstanding dedication to our chapter over the past few years.

First and foremost, I would like to thank Monette Madayag for her exceptional leadership as our chapter's outgoing President. I have big shoes to fill, and it will be a tall task, no doubt! Our outgoing Vice President, Carlos Jaime, has also moved onto another duty location, and we will miss him and all that he has brought to our association. Keisha Ravello has stepped away from the treasurer position but is staying involved in numerous other committees' within our association. Thank you, Keisha, for your continued support! Robert Douglas is retiring and has stepped away from the secretary duties. Thank you for your service to the association and the Army.

A big thank you to Nicole Sproesser, our incoming Vice President; Isabel Mackey, our new treasurer and David Olson, our new secretary. I have no doubt you will help make my job much easier, and I look forward to working with all of you. Thank you to those who have stepped up as new committees chairs, to help better assist the association and thank you to all our new members! I appreciate all that everyone is doing, and together we will continue to better our chapter.

I am looking forward to our first annual golf outing and upcoming fundraising and community service events.

Please keep up the great work and continue to spread the word about our association. It helps make the necessary and well-deserved changes for every Soldier who has ever worn the uniform.
